

Addendum #1

RFP for Panasonic Toughbook Computers and Vehicle Mounts

Job No. 13-10-FB

Please be advised of the following changes to the RFP document:

1. Under Article 5 – Commencement and Completion of Work, 5.1 is changed to read as follows:

"The Supplier's proposal shall be accepted or rejected by the City within 90 calendar days from the date **proposals are due for submittal.**"

2. Under Tentative Schedule on page 12, the following correction is made:

"Answers to questions released October **18**"

It was always the City's intent that questions be answered one week prior to the proposal due date to allow suppliers adequate time to make any necessary adjustments to their proposals.

Addendum issued October 14, 2010.

Barry L. Scott, C.P.M.
